Finally, please consider sending a personal note that can be given to residents of the four agencies. Our purpose is to help provide for material needs and encourage them to seek Jesus, who provides for ALL of our needs. A short note of encouragement, some verses or simple kind words will go a long way in sharing the love and hope found in Christ.

If you are interested in helping sort donations during The Church Has Left the Building, on April 29, please email Debbie Johnson at tdjohnson@mchsi.com.
